KOBELCO USA Names Guydrolic as Dealer in Quebec

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Guydrolic, Inc. to its growing dealer network. Guydrolic will represent the full line of KOBELCO excavators in Normandin, Quebec.

“We have been familiar with the KOBELCO product line for many years and we know firsthand the strong reputation that the brand carries,” states Guy Turcotte, President of Guydrolic, Inc. “KOBELCO excavators are well known for being robust, reliable machines and we’re excited to now offer them to our customers.”

KOBELCO has long been recognized for its world class line of excavators. In order to continuously improve its singular product line, the team of KOBELCO engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures the delivery of excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Guydrolic will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Guydrolic will provide professional sales and service support on all KOBELCO excavators from their locations in Normandin, Quebec.

Guydrolic, Inc. is a high caliber construction equipment dealership staffed by a dedicated team of seasoned employees. Guydrolic’s staff is committed to providing its customers with fast, high quality and

personalized sales, parts and service for the full line of KOBELCO excavators. For more information on Guydrolic or KOBELCO excavators currently in stock, please call 418-274-1177 or visit www.Guydrolic.com.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
