KOBELCO ANNOUNCES DSR INC. AS NEW AUTHORIZED DEALERSHIP

Katy, Texas - KOBELCO Construction Machinery USA, Inc is pleased to announce DSR, Inc.(DSR) as the latest addition to its growing dealer network.

This exciting brand partnership will enable DSR to provide a wide range of excavators from the SK17SR mini-excavator to the SK520LC-11. The KOBELCO lineup of machines are ideal for various applications in the construction, forestry, aggregate, auto-dismantling, and demolition sectors. There are also sector-specific variations including the “High and Wide” undercarriage that is ideal for forestry applications.

Incorporated in 2002, DSR is a family business that is a leader in material processing equipment known for its customer focused approach to business. With this new partnership, they will operate as a one stop shop providing KOBELCO rental, sales, and service from its two KOBELCO locations in Piedmont and Bryant, South Dakota.

KOBELCO works to partner with construction equipment dealers that have a deep knowledge of their local markets and have shown success in providing the high level of customer service that has long defined KOBELCO Construction Machinery. DSR meets this objective and KOBELCO is very confident that our future and current customers will see the added value from this new partnership.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators that include zero tail swing, compact, standard, long-reach, and demolition models. Together, KOBELCO and DSR will provide customers with quality excavators with added value features along with superior customer service.
